Introduction

The University of Antwerp uses the Mobility-Online software to facilitate the process of applying for admission to degree programmes.

The admission procedure can be found on the website http://www.uantwerpen.be/admission. This user guide will help you to submit a valid application for a study programme at the University of Antwerp.

Mobility-Online guides you through all the steps of the application process and provides feedback by e-mail and via a workflow panel:

Mobility-Online will let you
1) register personal information and generate a user account for secure log-in
2) upload documents to support your application so that the academic evaluation of your credentials can start
3) track the evaluation process by the admission board
4) know when to send the legalised, and if applicable translated, hard copies for authenticity verification by post to the registrar’s office
5) receive the results of the academic evaluation and of the verification of your documents
6) download a Letter of Acceptance if your application is approved

Important

If you are using the Mobility-Online application, we assume that you have read and understood all the information available on our admission-webpages http://www.uantwerpen.be/admission. If you still have questions about the admission requirements or procedure, please contact us through our international helpdesk http://www.uantwerpen.be/helpdesk-international before starting the application.
1. **How to start the application and set up a Mobility-Online account**

1. Go to our admission website: https://www.uantwerpen.be/admission
2. Under “Admission” select the level of the programme you wish to apply for: bachelor, master or advanced master
3. Carefully read the requirements
4. Under “Application procedure” you will find the link to the Mobility-Online application form.
5. Click on the link to start your application.

6. Fill in all required fields marked with a *. Please note that when you fill in certain fields the page will be refreshed and you may have to wait a second.
7. Proceed with your application by clicking the “Send Application” button. Use the “Cancel application” button to abort your application.

8. After you have clicked on “Send Application”, you will get a message informing you if the action was successful. You will also receive an e-mail with instructions about setting up a Mobility-Online account. Please note that all e-mails sent from Mobility-Online will have noreply@uantwerpen.be as the sender’s address. Check your junk mail folder if you don’t find the Mobility-Online e-mails in your inbox.
9. You will find a link at the bottom of the e-mail you have received. Click on this link to create a Mobility-Online account:
   a. Enter your date of birth and click on “Continue”
b. Choose a username (Login) and password (the password must contain at least 6 digits, at least one number, at least one upper case letter and no special characters). Click on “Continue” to create your account.

![Step 2 of 2 - Input User Name and Password](image)

Choose Continue

![Registration successful](image)

Close Window | Login to Mobility-Online

2. How to log in to Mobility-Online

1. After your registration, you can log in with your username and password. You can either use the link at the bottom of the “Confirmation of Registration” e-mail you have received or the following URL: [https://www.service4mobility.com/europe/LoginServlet](https://www.service4mobility.com/europe/LoginServlet)

![Login](image)

2. After logging in, please wait until the Mobility-Online page has fully loaded. You will see the application workflow (see example below). Depending on the level of the programme (bachelor, master) you are applying for you will have more steps in your workflow.

3. Use the action links in the column “Direct access via following link” to perform the actions (edit data, upload documents...) necessary to proceed with your application. **When you have completed a workflow step, the corresponding checkbox will be marked.** You can find information and help behind the question mark (either as a tooltip or as a separate page).
3. **Add or edit application data**
   As long as your application is not being evaluated by the admission board, you can continue to add missing data or edit existing data.

   1. To add or edit data, click on the action link of the workflow step in which you want to add or edit something.

   2. If all fields are empty, you can complete them (e.g. address details as shown in the screenshot) and save your input by clicking on "Create".

   ![Legal Address](image)

   1. Back to the application workflow
   2. Create

   3. If data have been entered and saved before, the fields will be greyed out. Click on the button “Forward to update” at the bottom of the page in order to edit the previously entered data.

   ![Additional information](image)

   4. After adding or editing data, click on “Update” to save the changes.

   ![Declaración](image)
5. You will always get a confirmation that the action was successful. If necessary, click on “Back to the application workflow” to return to the workflow.

4. Document management in Mobility-Online

Important: always read the information behind the question mark about the type of document that is needed. If you upload the wrong document the admission board will not be able to start the evaluation of your application.

4.1 Uploading a document

1. Click on the action link “Upload...” (in the example “Upload a copy of your ID”).

2. Browse for your document and click on “Create”.

3. Wait until you are redirected to your workflow. You will see this step is marked as “Done”.

![File Upload](image)
4.2 Uploading more than 1 document in the same workflow step

You can upload more than 1 document in the same workflow step.

1. Click on the action link “Upload...” of the workflow step for which you need to upload an additional document.

2. Click on “Upload/search”.

3. Browse for the additional document and click on “Create” to upload it.

4. Click on “Back” to go back to your workflow or click on “Upload/search” to upload another document.

4.3 View or delete an uploaded document

You can always view or delete an uploaded document.

1. Click on the action link “Upload...” of the workflow step for which you wish to view or delete the uploaded documents.

2. Click on the magnifying glass to view an uploaded document. Click on the recycle bin to delete an uploaded document.
